IN EIGHT STATES.

After but a Year—What Last Year's Graduates at OAC are Doing.

O. A. C. fits her students with an education that enables them to do something. They go from Alma Mater into the busy walks of life and at once take places where they have standing. A most eloquent testimonial on this point is the present engagements of the members of last year's graduating class. After a year, they are scattered in eight states, and all in good positions. Following is the list:

Meigs W. Bartness, instructor of mathematics and manual training in Hill Military Academy.

Clarence W. Beaver, first assistant in the pure foods department of San Francisco; and candidate for chemist in the civil service.

Horace C. Brodie, studying law with the firm of Bentley & Brodie, Portland, and a student at the Benke & Walker business college.

John C. Burns, farming, Multnomah county.

John W. Buster, druggist, Eugene.

Carrie A. Byerlee, teacher Hood River public schools.

Etta B. Carter, teacher in Albany public schools.

Claud Cate, store keeper, Hillsboro.

Jesse Clark, state secretary Y. M. C. A. of Idaho, at Boise.

Maud Cockran, teacher at Aurora, Ore.

Percy Cupper, a member of the U. S. coast and geodetic survey.

Lucy A. Dilley, Mrs. J. E. Johnson, Vale, Oregon.

Thomas W. Espey, graduate student of the University of California.

Clara Fuller, teacher, Wells, Oregon.

Albert S. Hall and Ernst Hinrichs, located in the Edison Electrical Co. in Schnectady, N. Y.

Edna Hershner, teacher, Gresham, Ore.

Dave Hirstel, draughtman in the A. J. Gill Co., Portland.

ARE CHAMPIONS NOW.

O. A. C. Track Team won State Meet With Many Points to Spare.

Total points in meet, 148. Half total points, 74. Oregon Agricultural College 82. University of Oregon, 45. Pacific University, 17. Willamette University, 4.

The above figures tell the story of the supremacy of the OAC track team, and of a victory surpassing any triumph ever achieved on any field in the history of track athletics in Oregon. It is the story of the state meet, held at Salem last Saturday in which OAC men took everything they wanted, smashed records at will and sent their opponents home beautifully and thoroughly skinned, and themselves came home labelled, "champions." As the figures show, they took more points than all the other teams combined, thus; Number of points scored by OAC, 82; total score of all other teams, 66; OAC's majority over all, 16.

Great features of the meet were the defeat of Peterson of Pacific, in the half mile by Greenhaw of OAC, in the unprecedented Oregon record of 1:58 3-5, the smashing of all Oregon and Northwest records in the quarter by Williams who ran the distance in 48 4-5 seconds, and the smashing of all the usual records in the 220 by Smithson, who with Williams close by his side, breasted the tape at the finish in 21 2-5 seconds. After defeating Peterson with a heart breaking record in the half, Greenhaw astonished all the experts, shortly afterwards by appearing in the 440, which he ran in less than 50 seconds, finishing close to Williams and far in advance of all other runners. To add to his achievement of the day, within a short time after the 440, he ran a swift quarter in the mile relay, Williams, Smithson and Beach being his team mates, and their combined time 3:36 for the mile. The 21 2-5 seconds in which Smithson and Williams ran 220 yards makes their average of speed per hundred yards in the event 9-72 seconds, a feature that makes the performance most remarkable. The performances of the two and of Greenhaw, puts the trio in a class by themselves among the sprinters of the Northwest. Very excellent in every respect was the performance of Davolt in the mile. It is his first season on the track and he went against Gates, one of the best men in the Northwest in the Northwest in the event. Davolt finished strong while Gates, who led him but half a dozen yards, had given the race everything he had to give. Davolt's time for triumph will certainly come next season, at least, if he continues under that master hand at speed development, Physical Director Trine. Harold Woodcock of OAC broke the state field record in the pole vault, in a vault of 10 7 3-4 inches. The event was supposed to belong to Claud Swann, but it was an off day and 10 feet 6 inches was the limit.

A feature of the meet was that in ante-meet guesses by Trainer Hayward of Eugene, OAC, was not given a place or point in the high jump. Merrill Moores proved the mathematical trainer a false prophet by clearing the pole at five feet seven and taking a first place and a gold medal. Hayward had given his own team seven points in his estimate, but what his team actually got was a shut out with no point. Trainer Hayward also predicted that his team would win by a score of 61 to 58. His team lost 45 to 82.

The OAC men got 19 out of the 30 medals awarded at the meet. They took also a mammoth silver cup, which if they can hold three seasons, will become their permanent property. They also won the undisputed championship of the state, and by their late decisive defeat of the University of Washington team, have a very good claim to the championship of the Northwest, a title that is certain no team of the Northwest states would care to dispute.

Not only does the new triumph bring fame to his men and to the college, but adds greatly to the already high reputation of Physical Director Trine as a wizard in the art of bringing out all that is best in the physical makeup of men. It is notable that none of his men suffered inconvenience as a result of their hard races. Director Trine knows how to put men in exactly that condition in which they are capable of using all the strength and endurance that nature gave them without evil effect. He has a subtle instinct and deep knowledge of the fibre of his men that other trainers do not have. He never tests one of his boys too sharply, but selects for them that event that they can give their utmost effort with

out injury to themselves. He is the man of all men on the Coast able to take a body of men and fashion from it a team that can win. He trained at Eugene five seasons, and every time during those seasons, Eugene won. He came to OAC where their was nothing here but raw boys, unacquainted with track work, and came within a few points of winning the championship the first year. He has been at the college three years and the last two of those years saw OAC successful over the University, the last defeat being a Waterloo for the U. of O. men.

A great feature of the meet was the crowd of rooters that accompanied the team. They were nearly 200 in number. They were joined at Salem by OAC men, graduates and otherwise, from everywhere. Harvey Bodine, the old football guard was there. So was John Van Gross, Meigs Bartness, Beatty, Frank Ward, and scores of others. One lad journeyed all the way from Seattle to see the sport. It all showed a college spirit good to see. The summary of events is as follows:

100 yard dash—Smithson, OAC, 1st; Williams, OAC, 2nd; Moores, U. of O., 3rd; Graham, OAC, 4th; time, 10 1-2 sec.
